

CATERPILLAR INC. SOFTWARE LICENSE AGREEMENT

Carefully read the following terms and conditions before using the Gas Engine Rating Pro (GERP) software and any related material provided herewith (the "Software"). Use of the Software indicates your acceptance of the terms and conditions contained in this License Agreement. If you do not wish to agree to these terms and conditions, do not use the Software.

LICENSE

Caterpillar Inc. ("Licensor") hereby grants to You ("Licensee") a nonexclusive, nontransferable, non-sublicensable, revocable, limited scope, license to:

(i) Use the Software for the sole purpose of sizing and specifying Caterpillar generator sets.

Licensee may not:

(i) Decompile, disassemble, reverse engineer or otherwise attempt to gain access to the Software source code or sizing algorithms or permit others to do the same.

LICENSEE OBLIGATIONS

It is the exclusive responsibility of the Licensee to determine the appropriate end use for the Software, including but not limited to determining if the Software is appropriate for the Licensee's information systems and implementing procedures to satisfy Licensee's security requirements.

Licensee assumes complete responsibility and expressly acknowledges that the Licensor has no responsibility or liability, for the selection of the Software and support services required to achieve Licensee's intended results, and for the use and results obtained from the Software and support services and any other programs.

OWNERSHIP AND PROPRIETARY RIGHTS

The Software is owned by Licensor. Title, ownership rights and intellectual property rights to the Software or to the Software and all patents, copyright, design rights, trade secrets and other proprietary rights in or related to the Software are and remain the exclusive property of Licensor. Licensee acknowledges such rights and will not take any action that jeopardizes such rights or acquire any rights except the limited use rights specified in this License Agreement. The Software is protected by copyright and other intellectual property laws and international treaty provisions.

The Licensee further acknowledges that in the course of its use of the Software, pursuant to the terms of this License Agreement, that it may suggest modifications or improvements to the Software ("Modification(s)"). The Licensee expressly acknowledges the Licensor shall have the right to use these modifications and hereby grants the Licensor a non-exclusive, royalty-free, perpetual worldwide license to use or incorporate said Modification(s), in whole or in part, into the future development of any technology, including the Software. The Licensee expressly acknowledges that the Licensor is not obligated to provide the Licensee with any form of compensation with respect to the use of the Modification(s).

Subject only to the limited rights and licenses expressly granted to the Licensee in this License Agreement, the Licensor shall retain and own all rights, title and interest in the Software, and all intellectual property rights with respect thereto. The Licensor retains all rights not expressly granted to the Licensee herein. The Licensee agrees not to reproduce, use, disclose, or distribute the Software or access to the software except as expressly authorized in this License Agreement.

The Licensee shall not remove or alter any trademark, logo, copyright or other proprietary notices, legends, symbols or labels in the Software. Licensee shall not use any trademark, logo, copyright or other proprietary notices, legends, symbols or labels for any purpose without the prior written approval of the Licensor, which may be withheld for any reason.

EXPORT CONTROL PROVISIONS

Licensee agrees to comply with all export laws and restrictions and regulations of the United States, and not to export or re-export the Software or any direct product thereof in violation of any such restrictions, laws

or regulations, or without all necessary approvals. By using the Software, Licensee agrees to the foregoing and represents and warrants that it complies with these conditions. Under no conditions or circumstances shall any country, company or person restricted by the United States Government request, obtain or use the Software, or any reference materials related to the Software, in accordance with the U.S. Department of Commerce's restricted user lists and embargoed and sanctioned countries.

DISCLAIMER OF WARRANTIES AND REMEDIES

THE SOFTWARE IS PROVIDED TO LICENSEE "AS IS" AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY, OPERABILITY, TITLE AND NON-INFRINGEMENT, ARE HEREBY DISCLAIMED.

Licensor does not warrant that the function contained in the Software will meet Licensee's or any third party's requirements or that the Software will operate in the combinations which may be selected for packaging by Licensee, or that the operation of the Software will be uninterrupted or error-free or that all defects of the Software will be corrected.

In all events, Licensee agrees that Licensor's maximum aggregate liability under this License Agreement or under any action or actions based on this License Agreement, regardless of the form of such action(s), whether in contract or tort, shall not exceed an amount greater than the amount tendered by Licensee to Licensor in connection with this License Agreement.

IN NO EVENT SHALL LICENSOR BE LIABLE TO LICENSEE OR ANY OTHER THIRD PARTY, IN LAW OR EQUITY, FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR RELIANCE DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST DATA, OR LOST OR ANTICIPATED REVENUES OR PROFITS) ARISING OUT OF THIS AGREEMENT OR LICENSOR'S DELIVERY OF THE SOFTWARE, ON ANY THEORY OF LIABILITY EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

TERM

This License Agreement is effective until terminated. The license granted herein will automatically terminate without further action of Licensor if Licensee fails to comply with the restrictions as recited herein. Licensor may terminate this License Agreement at any time by terminating, blocking or interrupting access to the software on this Site.

INDEMNIFICATION

Licensee hereby agrees to indemnify, defend and hold harmless Licensor from and against any and all claims, lawsuits, demands, actions or other proceedings brought against it by any third party due to, arising out of or related to Licensee's (a) use of the Software, (b) violation of this Agreement, or (c) violation of any law, regulation or third party rights. Licensee shall pay any and all costs, damages and expenses, including, without limitation, reasonable attorneys' fees and costs awarded against or otherwise incurred by Licensor in connection with or arising from any such claim, lawsuit, action, demand or other proceeding.

GENERAL PROVISIONS

Severability. If any provision or part thereof of this License Agreement shall be held by a court of competent jurisdiction to be contrary to law or public policy, the remaining provisions or parts thereof shall remain in full force and effect, and the Parties shall endeavor to give effect to the License Agreement as originally contemplated before the provision or part thereof was held to be invalid or unenforceable to the maximum extent permitted by law.

No Implied Waivers. The failure of either Party to enforce at any time any of the provisions hereof shall not be a waiver of such provision, or any other provision, or of the right of such Party thereafter to enforce any provision hereof.

Force Majeure. Neither Party shall be liable for damages for any delay or failure of delivery arising out of causes beyond their reasonable control and without their fault or negligence, including, but not limited to, acts of God, acts of civil or military authority, fires, riots, wars, or embargoes.

Multiple Counterparts, Facsimile Copies. This License Agreement may be executed simultaneously in two or more counterparts, each one of which shall be deemed an original, but all of which shall constitute one and the same instrument. Facsimile signatures shall be treated as original.

Entire Agreement & Modification. This License Agreement sets forth and constitutes the entire agreement and understanding between the Parties with respect to the Licensed Software, and supersedes all prior agreements and representations, whether oral or written, relating to the subject matter thereof. This License Agreement may be modified only in writing signed by the duly authorized representatives of Licensor.

Survival. Except as otherwise provided in this License Agreement or as required by law, the provisions of this License Agreement shall survive the termination or rescission of this License Agreement for any reason.

Governing Law. This License Agreement will be governed by the laws of the State of Illinois, United States of America (without regard to principles of conflict of laws).

GAS ENGINE RATING PRO PRIVACY STATEMENT

This privacy statement describes the personal information that we collect from you on the website, <https://specsizer.cat.com/>, or "Site", and how that information may be used or disclosed by us.

This policy does not apply to information that we collect through other means (e.g., other websites or other methods such as telephone calls), or to information collected on any other company or third-party site regardless of whether such site links to or is accessible from this Site. You should carefully read the privacy statements of any other websites.

<https://www.caterpillar.com/dataprivacy>

How do we collect personal information?

We collect personal information that you voluntarily provide to the Site through registration and through use of the Site as more fully explained below.

Do we collect technical information and use electronic mechanisms such as 'Cookies'?

When you visit this Site, it automatically collects your Internet Protocol ("IP") address and other technical information provided by your browser (e.g., your browser, what site referred you to this Site, etc.).

Cookies are small identifiers stored by your browser software to identify you. First party cookies are cookies that are set by this Site. GERP Web uses the CWS (Corporate Web Security) that Caterpillar uses for all of their secure sites. CWS uses two cookies:

- the .NET cookie is CwsHttpModule2 and
- the global cookie that login.cat.com generates is SSOCookie.

This Site sets these first party cookies as necessary to facilitate the functionality of the site (e.g., identifying you for security purposes so that the system knows what you are authorized to view) and to allow us to track metrics regarding Site usage.

Third party cookies are cookies that are set by others when you use this Site. This Site uses no third party cookies.

What personal information do we collect?

We collect personal information that you provide to this Site. For example, when you register, your identifying and contact information is collected, including: Name, Job Title, Company, Address, Email, and Affiliation.

In addition, we collect information about your usage of the Site, for example, reports of:

- Projects: All project info, Custom gasses, Calculations, Site conditions
- Daily Use: Active Users, Users By Country

How do we use this personal information?

This information is used to maintain the Site, including without limitation evaluating the usage and applicability of the Site's features and options. The information may also be used by our dealers and marketing profit centers to evaluate the sales and marketing activity of various geographical regions for lead generation opportunities. Unless you opt out (see instructions below) then this information may be used by Caterpillar Inc. (us) and our dealers and affiliates for marketing and servicing your product or information needs.

How do we safeguard personal information?

We utilize reasonable measures to protect personal information against loss, manipulation, falsification, unauthorized access, or unauthorized disclosure. Due to the design of the Internet and networking and computing technologies, we cannot guarantee that communications between you and the Site will be free from unauthorized access by third parties.

Will we disclose the personal information that we collect?

We may disclose your personal information to our dealers and/or affiliates. In any case, the disclosure of personal information is only to those with legitimate business reason to access the information consistent with this privacy statement. Notwithstanding the above disclosures, we will disclose personal information when required or permitted by law or according to relevant corporate policies.

Your consent

By providing personal information to us, you consent to the collection and use of this personal information in accordance with the purposes described in this privacy statement. Since this service is available to individuals in a variety of global locations, you are also consenting to transferring your personal information to countries or jurisdictions that may not provide the same level of data protection as the legal jurisdiction in which you are located.

How may You Opt-Out of Marketing Communications?

At any time, you may opt out of our collection and sharing of information to our dealers and/or affiliates related to non-aggregate marketing activity by contacting us at enginesoftware@catsupport.com and making a request to "Opt Out" of non-aggregated marketing activity that is based on your usage of GERP.

Children

We do not want to collect or maintain information from those under the age of 13. No part of our Site is structured to attract anyone under the age of 13. By using our Site, you represent that you are not less than 13 years of age.

How may You access your personal information?

Upon request, and after providing satisfactory proof of identity, you will be granted, if appropriate, the option to update your personal information, or you may be granted a request for us to discontinue use of your personal information for non-aggregate marketing activity based on your use of GERP as provided through this Site, with the exception of your registration information since it is required to access the Site. Please see "How can I contact Caterpillar Inc. (GERP)" below.

How can I contact Caterpillar Inc. (GERP) and obtain further information about this privacy statement?

To make a request to update or request discontinued use of your personal information noted above (including to "opt out" of future marketing activity based on your usage of GERP), or for additional information about this privacy statement, please contact us at:
